TRIUMPH VOL. 7

TAMARAC

JUNIOR SENIOR HIGH
SCHOOL

RD #3 TROY, NEW YORK

"Good friend in the path I have come,
There followeth after me today
A youth whose feet must pass this way.
This chasm that has been naught to me
To that fair-haired youth may a pitfall be.
He, too, must cross in the twilight dim;
Good friend, I am building the bridge for him."

PRINCIPAL'S MESSAGE

TO THE STUDENTS OF TAMARAC:

Education is a life long process. It begins with birth and should continue until death. Already you have completed twelve years of formal education. This, however, is only the beginning. May you always be enthused with a desire to learn more about our wonderful world, the people in it, and the universe of which it is a part.

Enthusiasm, curiosity, and interest in life promote learning and improvement. Continuous education opens bright new horizons; fosters humility, sincerity and dignity; and inspires one to make the most of his life in service for God and his fellowmen.

TAMARAC STUDENT COUNCIL

The Tamarac Student Council is composed of representatives of every homeroom grades 7-12. Totally 26 Homerooms send 52 representatives to our meetings. The weekly meetings are led by four capable officers, President Fred Lewis, Vice-President Jackie Smith, Secretary Carol Hems, and Treasurer Charlie Lansing.

Elected in a fast moving campaign last May, President Fred Lewis brings new spirit into the council. Fred instituted the positions of Parliamentarian and Sergeant at Arms. Rick Keeler and Tom Nelson filled these new offices with admirable zeal.

A believer in the committee system, Fred organized the Finance, Alma Mater, Student Control, Assembly, Student Exchange, Awards, and Executive committees. Serving as chairmen of these committees were Charlie Lansing, Mark Smith, Kathy Sheffer, Carol Stannard, Mark Smith, Jackie Smith and Fred Lewis, respectively.

We feel that the 1965-66 Tamarac Student Council has prepared a large area for achievement by later Councils. The basis for a potential Student Exchange committee has been formed. Tamarac now has its Alma Mater.

Work initiated this year under the direction of Mr. Briggs will certainly be continued when the Council reconvenes in September.

OFFICERS—A Callander, treas., F. Lewis, editor, M. Parker, Business Manager, B. Satterlee, Sports editor, M. Smith, Associate editor. Miss Gusberti, Business advisor.

Miss Leach, advisor, and Fred Lewis, editor.

This year was a year of change and improvement for the Bengalette. These improvements, along with the usual interesting and informative news and sports coverage, were mainly engineered and produced by Fred Lewis Editor-in-Chief; Mark Smith Associate Editor; Mary Parker Business Manager; Allan Callander Treasurer and Bruce Satterlee Sports Editor all under the direction of Miss Leach and Miss Gusberti.

The goal of the bi-weekly newspaper was that of informing and entertaining the student body.

The Bengalette has become a newspaper which represents the activities and ideas of the students.

The Junior Honor Society was busy making posters for the basketball and hockey games this year. We were also rendering our service in selling tickets at home basketball games and wrestling matches.

The purpose of Honor Society is to create an enthusiasm for superior scholarship; to stimulate a desire to serve faithfully our school, community, and country, to promote trustworthy leadership; and to instill exemplary qualities of character in the pupils of our school.

This year our program included volunteer work, field trips, a tour of a large industrial plant in a neighboring community, and guest speakers at our meetings.

The Tamarac Band, monument to school spirit and youthful ambition, has achieved new heights. The Band now maintains an extensive and varied repertoire of marches, overtures, show tunes, and ensemble composition.

Our concerts this year took place in October, December, March, April, and in May. Appearing specially in concerts were the ensemble players pictured on these pages. These five concerts led to our crucial effort of May 20th when the band entered State competition in two divisions Grade 3 and Grade 6 in difficulty.

Aside from the Dance Band, Dixieland Combo, and Brass Ensembles of previous years, the Tamarac Band now includes a new Tijuana Brass of seven pieces originated by Mr. Stover in emulation of the Mexican combo.

The officers of the 1965-66 Tamarac Band include Bruce Scanlon, President; Judie Barkley, Vice President; Karen Shaver, Secretary-Treasurer.

Juniors & Freshmen

The Rensselaer All-County Festivals are held twice each year. One Festival features a Senior Choir, Junior Band and Elementary Choir; the others, Senior Band, Junior Choir and Elementary Band. Most of the schools in our county send representatives to these festivals.

This year, Tamarac had choir members singing in the Senior Choir, held on February 5th at Knickerbacker Junior High School, and in the Junior Choir at the festival on April 23rd at Averill Park. The Senior group was directed by Robert Campbell, Supervisor of Music for the city of Schenectady. Calvin Pedersen, Vocal Music Director from Hoosick Falls Central High School directed the Junior group.

The 150 voice All-State Chorus representing 15 schools under the direction of S. Talbot Thayer from Hoosick Falls on November 19 and 20, 1965. Each of the New York State School Music Association sponsors many bands, choirs, and orchestras are represented. Each organization is directed by guest conductors, all of whom are distinguished in their fields.

Tamarac invited students were Jeanette Bowman, Karen Campbell, 1st soprano, Judie Barkley 2nd soprano, Carol Hems, 1st Alto, Karen Shaver, Barbara Grady 2nd Alto, Dennis DeLaMater 2nd Tenor Paul Miron Dave Freckleton, Dick Parron 1st Bass, Scott Schmiedeshoff, Pete Coonrad 2nd Bass.

The Key Club is a service for boys from the tenth, eleventh, and twelfth grades. Although Key Club is similar to other high school organizations in that it operates under the school's regulations and draws its members from the student body, it is uniquely different from any other in that its sponsorship, and programs are directed to the community at large rather than the school.

First the Key Club is unique for it is sponsored in cooperation, with the school officials by a local Kiwanis Club, composed of the leading business and professional men of the community. The Key Club is also unique for its aim is the development of initiative, leadership, ability, and good citizenship practices. The Key Club service program not only provides the school with services which make it a more pleasant place for students and teachers, but it goes into the community as well to undertake various projects for the benefit of the entire community. Leadership, good citizenship, education, and fellowship so important to you and democracy are best acquired through actual participation in service programs.

Tamarac moved this year from 8-11 man football. The old little 8 conference dissolved and we joined the newly formed Southern Conference with Van Rensselaer, Ockawamick, Chatham, Voorheesville, Mt. Everette and Roeliff Jansen. Two non-league teams, Ballston Spa and Schuylerville, were also on the schedule.

With two fine running backs in Senior Grant Bryce and Junior Jimmy Miles and two fine Junior Alternates, Scott Morse and Tom Zalucky, more than 1500 yards were gained rushing. Bryce alone had more than 700 yards.

Seniors Bill Dayton and Joe Guinan sparked both on offense as ends and on defense as linebackers. Seniors Pete Milks, Denny Bulson, and Sam Bulson also played well on both the offensive and defensive lines.

Special shot of the Seniors.

Bruce and Grant played well.

This season marked the first year of competition for the Bengals in the Eastern District Hockey League. Seniors Grant Bryce and Bruce Satterlee led their team to five victories in thirteen attempts. The first line consisted of John Schaudt as goalie, with Bruce Satterlee, Charles Lansing, Tom Gallagher, Rick Keeler, and Tom Nelson. The second line included, Joe Guinan, Grant Bryce, Fred Lewis, Sam Bulson and Doug Boughton. Scott Schmiedeshoff also served in the goalie position. Tom Gallagher was high scorer with 13 points and John Schaudt had 136 saves.

The icers faced stiff opposition from more experienced teams; yet managed to upset game favorites Albany Academy and C.C.H.S. Tamarac surprised Academy by beating them 3-2 in 42 seconds of overtime. Tamarac handed Academy her first defeat in her new field house.

The Pep Club, an organization of girls, displayed school spirit by leading the cheers of the large numbers of students and adult supporters. Miss Curtis was faculty advisor to this organization.

TAMARAC'S WRESTLING TEAM

The season started on Nov. 2nd and ended Feb. 18th. We started with a squad of 42. After a week of vigorous training consisting of intensive roadwork, calisthenics, and weight lifting we lost 19 boys, leaving us with a squad of about 23. The coach was Mr. Converse and the elected captains were Denny Bulson and Tom Shaffer.

Wrestling is a self sacrificing sport. It takes great individual effort to make and retain weight throughout the season. The wrestlers had to concede Thanksgiving and Christmas vacations in order to remain in top physical condition and to take part in the invitational wrestling tournament at Mechanicville. We competed against 8 schools; Dick O'Donnell and Bob West came in 3rd. The team also competed in the Washington County tournament held at Cambridge. Again we came in 3rd.

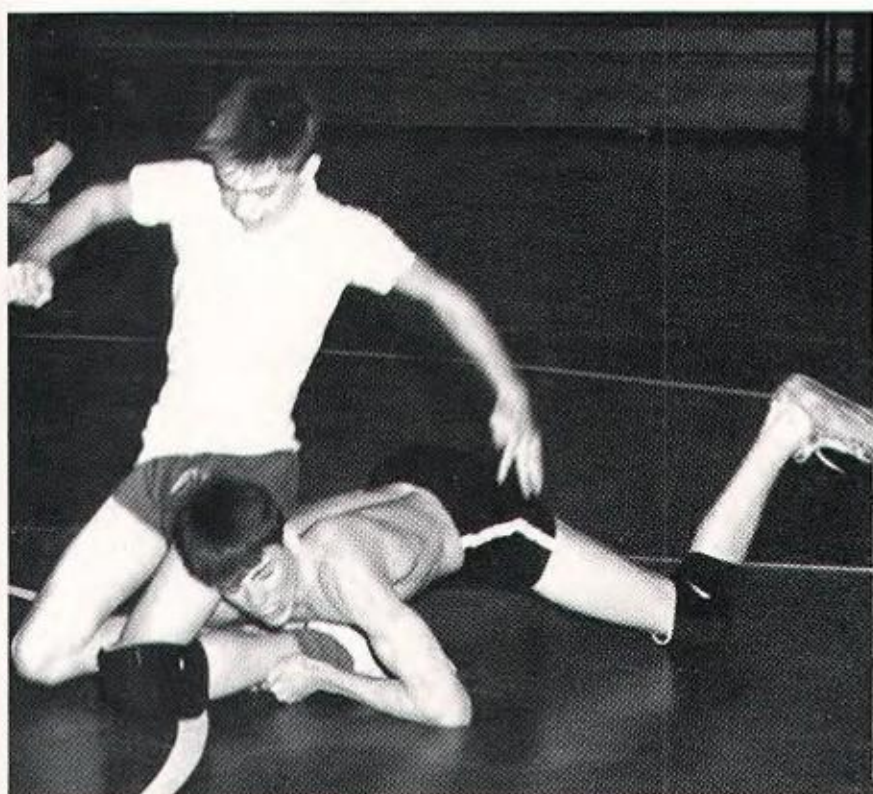

When a wrestler wins his match by a pin he is awarded 5 points; when he wins it by a decision, 3, and when the match is a draw he is given 2 points. Some of our team scores are: Captain Tom Shaffer 9 and 6, total points 35, captain Denny Bulson 7 and 5 total points 29; Doug Pratt 6 and 8, 26 points, Clark Edelman 3 and 7, 13 points and high scorer Dick O'Donnell 13 and 3 total 51 points. Our team finished the year with a winning season, a 6-5 record.

CLASS HISTORY

The high school years form a pleasant span in the bridge which does much to mould the lives of those who cross it. In September, 1962, we began our journey over a section of this bridge. Now, four years later, we can look back happily on our crossing.

We spent our Freshman year getting acquainted. In Mr. Thrasher's earth science we learned that rocks could be the subject of scientific inquiry and not the vehicles of personal warfare; the typewriters in Mrs. Sala's room proved formidable foes to a few of us, and the machines and tools in Mr. Swanick's grotto baffled many of us until our very graduating day.

We chose Jeanette Bowman president at our first election. She and Janis LaFleur, Bill Quinlan and Fred Lewis guided us through class meetings; the usual dance and fund raising activities. We sponsored the Freshman Fling, and realized tiny profits; Mr. Terzian flipped. We stopped there to observe, to gain experience, and poise. We did.

We came back as Sophomores, much wiser. We started a car wash, transferring the dirt in most instances from the cars to ourselves. Who

Regents Scholars

cared? We made money. Oh, yes, that year we elected Fred Lewis, President, Carol Hems, Vice President, Judie Barkley, Secretary and Scott Schmiedeshoff, Treasurer. Miss Wheeler took some of us on a field trip. Everybody happy. We sponsored two dances, one, "White Christmas;" the other, "Spring Swing." This year marked the advent of Mr. Converse and wrestling. We all took World History Regents, most of us passed; others took biology, more success. Plain Geometry left a few casualties among the scholars.

When we returned in September, we discovered a new principal, Mr. Ford. We bubbled, and

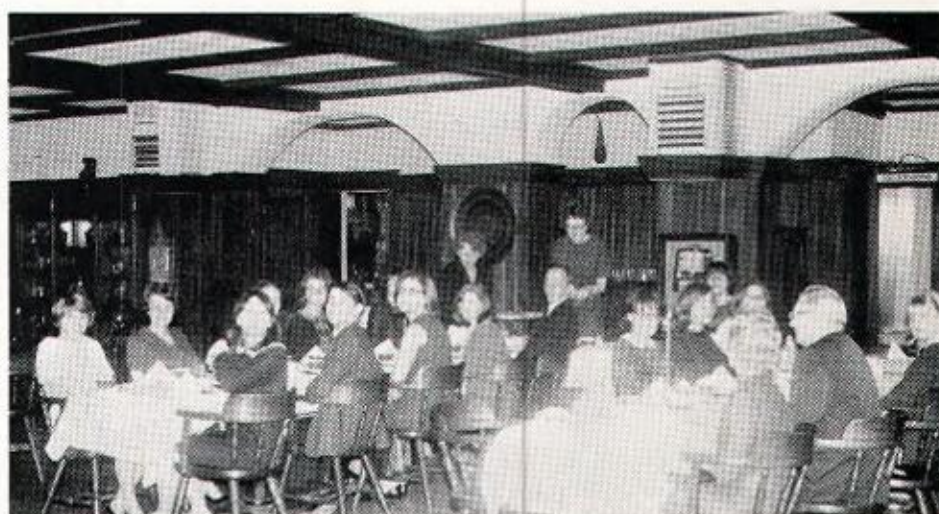

Mr. Ford, fooling around

bustled with the usual enthusiasm of people "who had been there before." Class elections, planning plays, arranging committees, all these were old hat, and we went through them methodically. We elected Grant Bryce, President, Jackie Smith, Vice President, Judie Barkley, Secretary and Tom Gallagher, Treasurer.

We selected our class rings and at a dinner at Dan-Jo-Marie's they were presented. Mr. Ford, our new principal spoke; Mr. Terzian, our class advisor, worried. (who's paying the bill?) Our prom "Wonderland by Night" was a great success. Grant Bryce, president, crowned Carol Hems, Queen and Judie Barkley, Jeannette Bowman, Karin Caruso, Pat Cummings, Mary Dorrance, Carol Hoag, Jackie Smith and Phyllis Wagar made up the court. Mrs. Kravitz left us for parts unloved; Mr. Healey came into places unknown. Mrs. Van Derhoof helped us prepare "Dear Phoebe" and on April 8, and 9, and 10, ready or not, we went on stage. Fred Lewis' advice to the lovelorn elicited scads of letters. We had a bake sale in the Central Market on Hoo-sick Street, (how did we ever get that concession?), we sold magazines and sponsored dances all to make money, why else? Many of our athletes appeared at school besmirched with lipstick and other goodies from the makeup pot. So sloppily applied and so abominably thick, it had to be a do-it-yourself job. How else? (a

lad's indirect method of lipstick application is frowned upon) The arched eyebrows and faculty frowns were soon eased and erased, for this was the first initiation of the newly formed Varsity Club. We won the Little 8 football championship that year. We bided our time, waited for and took (or were taken by) a battery of Regents Exams. We left to bask in summer sunshine and dream of Senioritis.

Mr. Converse would not let the malady strike. Wow! Did he move us! We never knew there were so many methods for raising money. We were on a split session because the grade school wasn't completed and things were hectic. This

F.T.A. Dinner at Crooked Lake Hotel

The Band at The Fair

chaos deterred us not. We elected our officers, Grant Bryce, Doug Roeck, Carol Hoag and Carol Hems. We sold a thousand submarines, and shed eight-million tears while doing so. Denny and Sam Bulson took on a personal feud and all of Troy, Cohoes, Watervliet and parts unknown to peddle candy. Each sold more than 200 boxes. What with pens, pencils and pancakes, we made more money. Scott Schmiedeshoff won undying fame for cold pancakes and burnt sausage. Our school first entered a team in the hockey league of the Capital District. Grant Bryce and Bruce Satterlee captained a pretty good hockey team. They won their share.

During all of this activity Mary Dorrance, Pat Cummings, Darlene Freckleton, Tom Gallagher, Carol Hems, Karen Shaver, and Jackie Smith were busy day after day putting the yearbook together, meeting and missing deadlines, pleading and praying for ads, the job went on. The English classes went to see "Othello". The drama people produced "Arsenic and Old Lace." The musicians dreaming of last summer's safari to the World's Fair (Incidentally they had an excellent reception there) produced their annual spring concerts. Mr. Stover and Mr. Claus supplied us with a list of pieces performed, far too long to repeat here.

Grant Bryce, Carol Hems, Pat Cummings and Karin Caruso received Regents scholarships and everyone was eagerly waiting to hear from college. Lo, after all these years, the school, thanks to Mr. Claus, has an Alma Mater. He wrote words and music, Scott Schmiedeshoff arranged it for the band.

We have spent our four years, we have bridged many gaps—a firm and finished structure have we built; it can lead us to everywhere or to nowhere, the choice is ours to make.

God willing we shall choose wisely.
